Presentation at the American Corner Skopje

## ***Financing Your Undergraduate Studies***

With Gordana Mircic, Educational Adviser

October 29<sup>th</sup>, 2009

Many students come to our advising center to get some help when narrowing the list of American universities and this presentation was held to provide them with assistance how, when and where to apply for financial aid. At the beginning of the presentation, Gordana Mircic, the Educational Adviser explained the differences between the types of financial aid available, the common misconceptions about it, the necessary forms and documents and the universities which offer financial aid for international students the most. Several of the attendees stayed after the presentation was completed to talk to the adviser about the universities they want to apply to and whether they should consider applying somewhere else or not. They were all invited to come next week for the Q and A session with 2 Peace Corps volunteers who helped their student get a full scholarship from Wellesley.
